A note from the Principal

Good afternoon, Eppler Parents and Guardians!!

I hope that you and your families are all doing well as we are approaching the finish line to a great school year! I have been asked by members of the Eppler Parent Involvement Committee (EPIC) to share with you plans for Staff Appreciation Month here at Eppler. A staff luncheon is planned for Wednesday, May 22. Also (BIG applause here!), the group has determined they will bless the school with the purchase of a poster maker! This purchase is in lieu of the gift cards each member of the staff has so gratefully received for Staff Appreciation over the past several years, and we are incredibly thankful for a gift that can benefit the entire school ... staff and students alike!

If you would like to be a part of the luncheon or wonderfully generous gift, please click on the following Sign-Up Genius link ... <https://bit.ly/epplerstaffappreciation2024> or the QR code below.

The entire staff at Eppler are so very thankful for your show of appreciation and want you to know that we deeply appreciate you for entrusting your children to us! Something we never take for granted is partnering with you in the education of your children!!

Be well!

Jerry

Each month staff members nominate kids they catch doing random acts of kindness. These are students who are not being asked to do anything, they just graciously do it out of the goodness of their hearts. Then once a month the counselors go into the classrooms and reward these students for their kind gesture.

February

Madison Eichmann, Sophia Zdravkoski, Kylee Backus, Nicholas Johnson, Remy Keyes, Addisen Deruiter, Elizabeth Azou, Maria Martinez-Gonzalez Mudura, Anthony Shaw, JaShon Little, Evelyn Urban, Lorianio Mio, Cole Bazzo, Kayan Patel, Jaxson Readett, Elena Bird Bazan, Sophia Mitchell, Nicholas Johnson, Farah Hami, Stella Urquhart

March

Jack Kline, Gavin Camp, Makayla Kashat, Makalya Pulford, Derrick McKinney, Andrew Frohriep, Aaron Eiberger, Austin Manni

April

Leon Gross, Presley Orlowski, Jaden Junkin, Brooke Maffetone, Audrey Hinton

Thank you to all of the nominees and keep up the kindness

Lunch Deliveries : REMINDER

Food Deliveries: Food that is delivered by a service such as Door Dash or Grub Hub will not be permitted at Eppler. due to school safety concerns and the disruption to the school day, we cannot accommodate such deliveries. we ask that all students bring their own lunch or buy a lunch from the cafeteria. If a student forgets their lunch, they may borrow against their lunch account in the cafeteria, or a parent may drop off a lunch for their student. However, if the food dropped off is from a restaurant, the student will be asked to eat it in the Main Office during their lunch hour. Coffee, smoothies, and outside breakfast brought in the school in the morning must be consumed before going into first hour. This is the practice that takes place at the high school level and Eppler is aligning with Utica High in order to provide consistent expectations for our students. If you would like to apply for the free or reduced lunch program, or to establish a lunch account for your child, please click [here](#).

The video is available for you to review at this link: [UCS School Safety: Standard Response Protocol – Junior High - YouTube](#) If you have any questions, please contact our office.

Eppler Clubs & Organizations

Cultural Diversity Club

Have you ever felt different? Like you don't fit in?

You're not alone. Which is why Eppler Student Advisory Board is sponsoring the new ... Cultural Diversity Club!

The Cultural Diversity Club is all about inclusion, open mindfulness, and advocating for misrepresented groups. In this club, we'll have monthly after-school meetings that showcase different cultures and give students opportunities to learn and show off their cultures. But culture is not just ethnicity, it's who you are as a person, what makes you, you. That includes hobbies, personal identity, beliefs, and more. Our goal is to give students a safe and welcoming place to express themselves, have people to relate to, remove negative stereotypes about certain groups and to have fun!

We welcome every student at Eppler to attend, even if you're unsure what culture you identify with.

If you are interested in joining, then come to our first meetings after school at 2:15 in Room 117!
Hope to see you there!

STUDENT ASSISTANCE

CARE invests in youth by working with the community, school personnel and parents to promote the healthy development and education of young people.

CARE's Student Assistance

- Does your child/student have difficulties at school or in other social settings?
- Have you noticed a change in your child's/student's behaviors and/or attitudes?
- Are you concerned that your child/student may be using alcohol or other drugs?

CARE of Southeastern Michigan understands the struggles that families are facing today. Despite all efforts, when a family is in crisis because of substance use or social and emotional health concerns, there is a greater likelihood that a young person will experience difficulties. Student Assistance offers students and their families guidance and support.

Student Assistance Clinicians specialize in at-risk issues such as substance abuse and mental health problems. A qualified Clinician will conduct initial screenings and assessments to determine the extent of a student's problems and provide resources to best help the student and their family. Students and families will receive assistance in gaining access to the most appropriate service for their area of concern.

Youth and Family Programs

Visit www.careofsem.com for locations, times, and dates for all programs.

Peaceful Alternatives to Tough Situations (PATTS):

An educational series to help youth deal with their emotions in appropriate ways by understanding their own resources and developing their own plan of action with skills that really work!

* Parent participation required

Teen Intervene:

Power of Drugs and Alcohol is a series designed to provide education, support and guidance to teens that have experienced mild to moderate use of alcohol or other drugs. This program also offers parents and guardians the opportunity to learn healthy communication skills and the importance of establishing family rules regarding alcohol or other drug use.

* Parent participation required

Parent Education Classes:

A series for parents to discuss ways to understand behavior, build self-esteem, increase cooperation and provide discipline that teaches personal responsibility. Groups include early childhood (ages 0-5), school age (ages 6-12) and teens (ages 13-18). A book for the appropriate age group is required.

INDEPTH:

INDEPTH is the American Lung Association's Intervention for Nicotine Dependence: Education, Prevention, Tobacco and Health program. A forward-thinking alternative to suspension or citation for tobacco use, including e-cigarettes. INDEPTH addresses the teen vaping epidemic in a more supportive way. This interactive program teaches students about nicotine dependence, establishing healthy alternatives and making the change to be free of all tobacco products, including e-cigarettes. INDEPTH is led by a trained, CARE facilitator either one-on-one or in a group setting.

Camp CARE:

This program is offered for children/families who have been impacted by alcohol and other drugs by a loved one. Through small group discussions, children, youth and teens learn: You are not alone, identify and process feelings, how to be safe, celebrate themselves, how to handle peer pressure, conflict resolution, making healthy choices, and life skill building.

Teens Talking Truth:

T³ participates in social events, community service opportunities, and workshops that address the challenges of today's youth, with a primary focus on alcohol, tobacco and other drug prevention and a healthy teen lifestyle. T³ also works to get rid of the myth that all teens require drugs or alcohol to have fun.

Computer Science Discoveries

CSD SPHERO BOLTS

STUDENTS IN MRS. MATTEO'S COMPUTER SCIENCE DISCOVERIES CLASSES SPENT TIME LAST WEEK LEARNING TO PROGRAM WITH SPHERO BOLTS. A SPHERO BOLT IS A PROGRAMMABLE ROBOT BALL THAT YOU CAN DRIVE AND CODE WITH TEXT OR BLOCKS, USING THE LANGUAGE JAVASCRIPT. STUDENTS HAD TO COMPLETE SEVERAL CHALLENGES WITH THEIR SPHERO'S, INCLUDING MAKING THEIR ROBOT DRAW VARIOUS SHAPES AND CODE IT THROUGH A MAZE. OVERALL, THE STUDENTS WERE CREATIVE AND HAD FUN WHILE LEARNING TO CODE!

Mrs. Markus & Mrs. Gleason are lucky ducks with students like this! Avid 7 & 9 students spent “Fun”damental Friday recreating a rubber duck with playdoh. Students picked a duck randomly and had only 20 minutes to create their replica. There were a lot of laughs and impressive artwork. This activity touched on AVID WICOR strategies of Inquiry, Collaboration and Organization. Great job AVID 7 & 9! We can't wait to the ducks AVID 8 comes up with next week!

APRIL 17

Mrs. Markus' AVID students designed a calming room.

GAMES AT LUNCH

Students made "stress catchers" in Mrs. Heidrich's science classes.

Mrs. Kiehle's classes started each hour by "exercising" their brains with a Brain Gym activity from Character Strong followed by a Hunger Games coloring sheet while listening to relaxing music.

Mrs. Byron's classes got treated to stress balls and peppermints to help them relax for their math test.

MRS. RUMEL'S LIFE SKILLS CLASSES PLAYED BOARD GAMES TO SUPPORT SOCIAL WELLNESS AND GIVE STUDENTS A "BRAIN BREAK."

Congrats to our April Chieftains of the Month!
