

SAT scores improve in Macomb, UCS schools with the top scores

For the second year in a row, Macomb County schools have improved on their SAT scores from the year before.

Annually taken by 11th grade students, the scores showed an 8.1 increase in the average mean score from 2016 as well as increases in all content areas.

"We are pleased to see these increases and commend the students, their parents, teachers, administrators, and school board members for their focus on academic performance. We will remain focused on making improvement in all areas of this assessment," Mike DeVault, superintendent of the Macomb Intermediate School District said.

"Macomb County continues to be a great place to raise a family, with excellent public schools, public safety and economic opportunities. We will continue to work closely with all educators in the county by providing research based and relevant professional development to meet the needs of all students."

Utica Community Schools collected the highest mean scores in the county with a 1,065 score with 2,167 students taking the test. Eisenhower High School had the highest marks, with an 1,108.9 mean score, followed by Henry Ford II High School (1,067.5), Stevenson High School (1,066.3) and Utica High School (1,037.4).

Romeo High School in the Romeo Community Schools district came in second with a mean score of 1,050.7 with 405 students being tested.

And Chippewa Valley Schools came in third place in the county with a mean score of 1,036.2 from 1,382 students testing. Dakota High School students had a mean score of 1,056.5, while Chippewa Valley High School students had a mean score of 1,012.1.
