Vision Statement:

Mission Statement:

Our mission is to create a positive and challenging learning environment that encourages all students to achieve their greatest potential as responsible, productive members of a diverse society.

A MESSAGE FROM MR. CUCCHI

Good afternoon Titan community,

Spring is here and this spring weather we are getting has been wonderful! Parents, this is a great time to remind your child about making good decisions and positive choices. As we get ready to celebrate the Class of 2024 seniors, and the underclassmen moving up, we do not want this exciting time to be marred by tragedy. Reminder for students to put down those phones while driving, do not put any harmful substance in their body that is going to harm us or impair decisions, and show up to school on time. We need our kids to continue making those positive decisions that will take them and us forward. We want this spring to be a celebration not a tragedy. Please have that conversation with your student and know that we are having similar conversations here.

Students are getting anxious and excited about the end of the school year. Please remind them that the school day starts at 7:20 a.m. Students are expected to be in their classrooms at this time. Being late and/or having excessive absences (more than 10) could result in lost credit and/or loss of their parking pass privileges.

Teacher Appreciation week was May 6-10. I would like to take a moment to recognize the Stevenson Teachers. We simply have the best of the best! Thank you teachers for making Stevenson a great school!

2024-2025 Parking Pass Information

Our attendance pilot program began last week, and it seems to be going well. Now until May 31, 2024, we are initiating an attendance pilot program that is tied to student parking for the next school year (2024-2025). We hope this encourages student attendance and punctuality as we finish this school year.

All CURRENT 10th (Class of '26) and 11th (Class of '25) grade students, who have accumulated **5 or more tardies and/or Unexcused absences**, will not receive their parking permit for the **1st five weeks of the 2024-25 school year (October 1st 2024)**. At that point, with responsible attendance, parking will be reevaluated for the school year. In addition, outstanding fees must be paid in full to be eligible for a parking permit. (Contact Remi Darroch, Bookkeeper, at remi.darroch@uticak12.org, 586-797-1903 for questions about your students fines.)

*Please encourage your Stevenson student to arrive on time and finish the current school year strong as we attempt to support and encourage good habits moving towards the next school year.

2024-2025 Parking Permits - We will be accepting parking permit applications from next year's seniors (class of 2025) beginning on June 3, they are \$50. Students who already have a parking permit this year can turn in their old permit for a \$5.00 discount on the new permit. You can find the Parking Permit Application on the Stevenson website: Stevenson High School on May 31. Please print it and bring copies of all required documents to Mrs. Bartold in the main office. Important – please see above regarding how students attendance and outstanding fines will affect whether or not your student will receive parking passes next year.

Please check the Titan Voice for more information on the senior celebrations. If your student went to a different UCS elementary, please reach out to them for their Senior Celebration information.

It is essential that we remind our students that they are not quite finished, Seniors only have 2 weeks of school left and the remainder of our students still have a few weeks left in this quarter. They must pass their classes, pass exams, and not lose credits for tardies, absences or poor choices. We have had our Senior Meetings and awards ceremonies and recognitions are happening almost daily. This is a time of year to talk about **good choices**. A key message I will share is to remember that a split-second decision can cost your child a great deal. In 17 years of graduating seniors, I've only had to refuse commencement once. I am incredibly clear about how disciplinary actions toward seniors at this point in the year will impact opportunities; be those prom, honors night and/or commencement. I also remind our seniors that those lost opportunities are not my fault, but theirs. We are all responsible for our choices. I also remind students that choices outside of school matter. As it gets warmer, remind your students that they need to be safe and make positive choices. We want to celebrate success at the end of the year, not mourn losses.

Please also remind your students to continue checking email, teams, and Schoology for important information during the rest of this school year.

Our Stevenson National Honor Society president, Anna, and other NHS leaders went to the Burr NEHS meeting on Monday, April 29 for their 2nd visit. Burr loves having them as they are mentors to the elementary students.

Anna did an outstanding job facilitating and getting some teambuilding activities planned. The NEHS members were able to debrief after and discuss what they learned. Great job NHS!

Juniors – There is a new offering where the Class of 2025 students will have a teacher helping them and going step by step through FAFSA, career planning, resume writing, along with filling out college and scholarship applications. See the flyer in the Titan Voice.

Important Reminders

Dress Code Reminder

As the weather starts to warm up, we would like to remind families and students of the UCS dress code. We understand fashion changes, but there are some constants.

- Indecent, tattered, or unsafe dress or footwear, or attire that calls undue attention to the wearer or has lettering or symbols that are disrespectful or derogatory are not allowed.
- Beach wear, low-cut tops, tank tops, sleeveless tops, muscle shirts, see-through clothing, short skirts or shorts, pajamas, tight clothing without proper coverage and clothing exposing the shoulders or mid-section are not allowed.
- Knee length shorts and skirts are acceptable. Shoes must be worn.
- Outerwear, such as coats and hats, is not to be worn in school.
- Clothing that promotes illegal substances or drugs, illegal activities, violence, tobacco, or alcohol is prohibited.
- Clothing or head coverings worn as group identifiers that promote a disruptive school climate are prohibited.

- Clothing consistent with religious or cultural beliefs is acceptable.
- Jewelry and accessories that may be deemed dangerous are prohibited.

These and all our dress code and attendance rules are available in the student – [Student Handbook](#).

Student ID's

Every student must wear their Stevenson ID at all times while on school grounds. A student's ID card authorizes him/her to be on the school campus. It is crucial that the school staff can identify everyone on campus. The identification of staff and students is a safety issue and will not be compromised. Student IDs may be left in the student's assigned locker overnight to ensure the student ID is not left at home. Please see the UCS student [handbook](#) for more information.

Another important reminder is to take time with your student to review the UCS High School Credit Review Rules and Procedures. In short, it starts by saying that a student has a responsibility to attend, be on time and prepared for each scheduled class. When a student nears or is at 10 absences (any combination of absences or tardies) they will meet with their Associate Principal and parents will be notified. At 11 absences the student will enter Credit Review and can restore those credits by making up the lost time for the classes via a contract made with their associate principal. This cannot be recovered short of testing out, taking the class via scheduling, credit recovery or summer school. Please take the time to read to discuss this with your student, and make sure they understand.

Another reminder is that students are expected to be in school on time. Parking Permits may be suspended for the following reasons:

- ❖ Excessive unexcused absences or tardies
- ❖ Careless or reckless driving
- ❖ Persistent disciplinary issues

Please continue checking the Stevenson website and Titan Voice for more information regarding important dates, counseling updates, and school and district happenings. This information is updated frequently.

With Titan Pride,

Kenneth L. Cucchi III

Attendance

Regular attendance and active participation in class are integral parts of a student's total education. Students can achieve optimal educational benefits only through regular class attendance and a serious commitment to an educational program. Attendance rules have been developed to reduce/prevent chronic absenteeism. The U.S. Department of Education Civil Rights Data Collection defines chronic absenteeism as missing more than 10% of school days in a year.

Avoid Credit Review

A student should avoid being placed on Credit Review for accumulating more than 10 absences in any class. If placed on Credit Review, students should take the necessary steps to be removed from Credit Review. Students who do not take the steps to be removed from Credit Review will receive a final grade of an F in the class.

Report an Absence

Do Not call the office for attendance. You must call the attendance line at 586-797-1999.

When a student is going to be absent, parents/guardians should report the absence before the school day begins. Calls to the attendance line can be made 24 hours a day, seven days a week and will be received by an answering machine during non-school hours. The following reasons for an absence will be accepted as an excused absence: Student illness, hospitalization, doctor-ordered bed rest, mandatory court appearance that has been pre-arranged, death in the immediate family, family vacation that has been pre-arranged and approved, medical appointments and administrative permission. All other absences will be unexcused.

Excessive Absences

The school will notify the parent/guardian about excessive absences in the following ways:

When a student has accumulated between 7 and 10 absences in any one class per semester, the student's assistant/associate principal will send a warning letter through E-Mail to the parent and student (US. Mail if no email on file). When a student has accumulated 11 absences* in any one class over the course of a semester, a letter will be sent via email (or US mail if an email address is not on file) stating the student has been placed on Credit Review and must follow the appeal process in order to earn credit in that class.

The following absences will be exempt from this absence total:

School-approved absences (field trip, student government activity, etc.), death/funeral of an immediate family member (mother, father, brother, or sister), court appearance when documentation is submitted, suspensions, and absences where a parent/guardian has submitted medical documentation supporting the absence within five (5) school days of the absence. Chronic medical conditions can be reflected in a doctor's note indicating the student has an ongoing medical condition that can cause them to be absent from school.

Credit Review

Definition of Credit Review Credit Review is a process designed to decrease chronic absenteeism in a way that is restorative in nature. Students who do not take advantage of the restorative nature of credit review will receive an F in any class for which they were placed on Credit Review.

Tardies count toward Credit Review

For Credit Review, every three tardies will count as one unexcused absence.

How do you get placed on Credit Review?

All students are limited to ten (10) parent-excused, unexcused, or truant absences per class period each semester. Upon the eleventh absence in any class period, the student loses credit in that class. The student will be required to continue to attend and pass the class to be eligible for the appeal process. In order to earn credit, the student must follow the proper appeal procedure.

Students should take action to restore credit as soon as they are placed on Credit Review

Students who have exceeded 10 days of absences can earn forgiveness hours (absence reduction) by participating in eligible programs. Availability of these programs may vary by the school the student attends. One hour of time is equal to one absence reduction in one class.

Restore Credit

To restore credit, students must submit an appeal demonstrating that they either did not have more than 10 absences or that they have taken action to restore the missed class time. A student who is denied credit for a class due to excessive absences may appeal that action in accordance with the following:

- The student must have a passing grade in the class that they were denied credit.
- The student must submit a completed appeal form to their assistant/associate principal
- The student's assistant/associate principal will review each submitted appeal. The assistant/associate principal will notify the student and parent of the decision in an email (or letter when no email is listed in PowerSchool). The decision of the assistant/ associate principal is final, there is no further appeal.

A STUDENT WHO DOES NOT APPEAL THE LOSS OF CREDIT/OR FAILS TO EARN THE CREDIT BACK WILL HAVE EARNED AN "F" FOR THE FINAL SEMESTER GRADE IN THAT CLASS. An "F" will replace the "NC" in the permanent record.

Please see the student handbook for a more detailed explanation [LINK HERE](#)

SHS REMINDERS

I would like to remind students and parents that Stevenson is a closed campus, meaning students are not allowed to leave for lunch. Parents should not be calling students out for lunch; they will not be able to leave. Also, students are not allowed to have outside food dropped off or delivered during the school day. School lunches and breakfasts are free to all students this year.

I will continue to provide you with school and district information. I do my best to communicate through email (Titan Voice) every other Friday during the regular school year. This should be your first line of communication regarding information pertaining to Stevenson. If you go to our website, you will find it linked under News. The Titan Voice has contact and general information, updates, policies, and many other items pertaining to Stevenson.

ATTENTION – The school day ends at 2:14 p.m. Students must exit the building by 2:30 p.m. Any student who is staying after school must be under the supervision of a staff member, coach, or teacher. If practice is not immediately after school, students are expected to go home and return at their practice time. Also note that students are not allowed in the gyms at any time unless a coach or teacher is present.

Student IDs

School ID Badges Ensuring safety and security for all students and staff is a priority each day. In addition to enhancing security, the wearing of ID badges provides a professional setting and promotes College and Career Readiness for all students.

Wearing of IDs is required as part of many workplace environments, as well as on many college and university campuses. One student ID and lanyard will be provided to every student at no cost.

The benefits and reasons for students wearing a current student ID card are:

- ❖ To be in class
- ❖ To borrow library books and textbooks
- ❖ To obtain early dismissal
- ❖ To allow movement during school, going to and from restrooms, etc.
- ❖ To be on campus before or after school
- ❖ To participate in school activities, assemblies, dances, etc. at school.

Student ID Guidelines

A student's ID card authorizes him/her to be on the school campus. EVERY student must wear his or her student ID card while on school grounds. It is crucial that the school staff can identify everyone on campus. Identification of staff and students is a safety issue and will not be compromised. Student IDs may be left in the student's assigned locker overnight to ensure the student ID is not left at home. The following guidelines must be adhered to when wearing student ID cards:

- Student ID cards must be worn and visible at all times (i.e., not kept in a purse, pocket, or backpack).
- The student ID card must be presented to any school staff member or person of authority upon request.
- The front and back of the student ID card cannot be altered (i.e., no markings, other photos, etc.). Defacing or altering the student ID is prohibited.
- Wearing another student's ID card is prohibited.
- Lost, stolen, altered, damaged and/or defaced student ID cards must be replaced immediately. Students who fail to adhere to the above guidelines are subject to a lunch detention (or after school detention) and a

replacement fee of \$5.00 to replace a lost ID badge. Students can purchase a new lanyard from the school or purchase one on their own. Tear away lanyards are recommended. Students who are insubordinate or persistently disobedient are subject to further school consequences.

Student Dress Code

Students must adhere to the guidelines outlined in the student handbook.

- Indecent, tattered, or unsafe dress or footwear, or attire that calls undue attention to the wearer or has lettering or symbols that are disrespectful or derogatory are not allowed.
- Beach wear, low-cut tops, tank tops, sleeveless tops, muscle shirts, see-through clothing, short skirts or shorts, pajamas, tight clothing without proper coverage and clothing exposing the shoulders or mid-section are not allowed.
- Students should not wear clothing with inappropriate advertising like Playboy shirts or similar items.
- Hats are not allowed in school unless explicit permission for a medical or religious reason is reached.
- Knee length shorts and skirts are acceptable. Shoes must be worn.
- Outerwear, such as coats and hats, is not to be worn in school.
- Clothing that promotes illegal substances or drugs, illegal activities, violence, tobacco, or alcohol is prohibited.
- Clothing or head coverings worn as group identifiers that promote a disruptive school climate are prohibited.
- Clothing consistent with religious or cultural beliefs is acceptable.
- Jewelry and accessories that may be deemed dangerous are prohibited.

Attendance Policy

Another important reminder is to take time with your student to review the UCS High School Credit Review Rules and Procedures. In short, it starts by saying that a student has a responsibility to attend, be on time and prepared for each scheduled class. When a student nears or is at 10 absences (any combination of absences or tardies) they will meet with their Associate Principal and parents will be notified. At 11 absences the student will enter Credit Review and can restore those credits by making up the lost time for the classes via a contract made with their associate principal. This cannot be recovered short of testing out, taking the class via scheduling, credit recovery or summer school. Please take the time to read and discuss this with your students, and make sure they understand.

Attendance and Early Dismissal Procedures

Please call **586-797-1999** and follow the prompts: 1 = Early Dismissals 2 = Late Arrival 3 = All Day Absences Please do not call the main office for attendance. When an Early Dismissal is necessary, a PARENT MUST call in the dismissal before the student leaves. Otherwise, your student will be marked unexcused. Also, your student must check in with the Main Office before they leave campus to ensure their safety. PowerSchool is now generating automated phone calls to parents informing them of any absences for their students daily. Please use your Parent Portal to view your student's attendance.

If you have any concerns, email the individual teacher directly through the staff tab of the school's website or through the PowerSchool. If a correction is warranted, the teacher will request one. Our goal is to have call-ins recorded before the office closes for the day. However, if you have any questions regarding your student's attendance, please wait 24 hours to ensure that all records are complete and up to date.

Outside Food

I would like to remind students and parents that Stevenson is a closed campus, meaning students are not allowed to leave for lunch. Parents should not be calling students out for lunch; they will not be able to leave. Also, students are not allowed to have outside food dropped off or delivered during the school day. School lunches and breakfasts are free to all students this year.

Parent Student Handbook

Please be sure to review the UCS 9th grade – 12th grade 2023-2024 UCS [Parent Student Handbook](#) which can be found on the Stevenson and UCS district website. Please familiarize yourself with the new and old information.

COUNSELING INFORMATION

Check out our new [Counseling Tab](#) on the Stevenson High School [website!](#)

Students will be assigned their counselor by last name as follows:

| | | |
|-----------------------------------|--|--------------|
| A-De, CORE, LCCE - Mrs. Boettcher | kristi.boettcher@uticak12.org | 586-797-1976 |
| Di-Jon, AVID - Ms. Dilday | dakota.dilday@uticak12.org | 586-797-1979 |
| Jor-Kn, MADE - Mrs. DiLorenzo | tamara.dilorenzo@uticak12.org | 586-797-1975 |
| Ko-Ric - Mrs. Newell | kristi.newell@uticak12.org | 586-797-1977 |
| Rid-Z – Ms. Sullivan | delaney.sullivan@uticak12.org | 586-797-1980 |
| Counseling Secretary - Ms. Carter | sarah.carter@uticak12.org | 586-797-1993 |

For students: How to schedule a meeting with your counselor:

1. Send your counselor a message through TEAMS.
2. In this message please explain the reason for your request.
3. Expect a response within 24 hours. If your situation is urgent and needs immediate attention, please come directly into the counseling office and Ms. Sarah Carter will direct you from there.

Counselors just received an update explaining that, due to issues with the new FAFSA, **financial aid award letters will not be available until later in the spring**. So, please hang in there, and keep being patient. We know this can be unsettling, but it is not your fault, and you don't need to worry.

A few things to do while you are waiting:

1. Make sure your first semester transcript was sent to the college(s) you applied to if you haven't done that yet. Contact your counselor if you need any help.
2. Everything is delayed, but it will happen in time. Be sure to stay on top of reading any emails that are coming from the college(s) you've applied to.
3. Learn more about the college(s) you are most excited about. Once you get your financial aid award letters in the spring, next steps will be choosing your college, making an enrollment deposit there, deciding on housing options, and attending orientation. Lots of excitement ahead!

FAFSA – You can still complete it now if you haven't yet --not too late!

- Before completing the FAFSA, every senior and one parent will need to create an FSA ID: [Create Account | Federal Student Aid](#)
- Families can complete the 2024-2025 FAFSA at this link: [FAFSA® Application | Federal Student Aid](#)
- Families can call [1-800-433-3243](tel:1-800-433-3243) for any help needed with the FAFSA.
- We recommend having the parent and student sit together to work on the FAFSA. The easiest way seems to be if the parent starts their section first. The student can then complete their section.

The FAFSA can help students access free money for:

- Training for Michigan's hottest jobs
- Training for Trades
- Two-Year and Four-Year Colleges

We want to **every** senior to receive the benefits of completing the FAFSA, and we are here to help!
This is really important for your future!!

For parents: How to schedule a meeting/phone conference with your child's counselor:

1. Call the counseling office at 586-797-1993; or email your child's counselor directly during normal school hours.
2. In that message, please explain the reason for your request.
3. Please understand that attempting to meet without notice could result in having to be turned away due prior professional commitments.

FAFSA Resources for Students and Families – FAFSA resources for students and families have been added to a new web page, including updated information on the 2024-25 FAFSA. [Click here for more information.](#)
