

Junior High School
Handbook
2020-2021

Dear Parents/Guardians,

Utica Community Schools is committed to excellence for all students. This excellence means preparing them for success in both academics and their lives. High expectations and accountability will allow our students to recognize their full potential and excel in the many educational options available in Michigan's second largest school district.

The information in this handbook provides a framework for these expectations. While we begin this year in a remote and virtual setting, the policies and procedures listed in this handbook remain an important part of maintaining our district focus on student success.

The district's partnership with families strengthens our students' academic success. This handbook lists many of the important ways we can keep the lines of communication open throughout the entire year. Please read the information in this handbook carefully and share any concerns you may have immediately with your school staff.

We wish you and your student the best for a successful 2020-2021 school year.

Off to a Good Start

This handbook is your guide to information about your junior high school and Utica Community Schools in general, as well as policies and procedures that enable UCS to provide and manage a positive school environment for all students. Look for the school calendar and other valuable information in school newsletters and mailings, the district Web site www.uticak12.org, social media sites, UCS-TV channels 15 and 22 and the district newsletter, Focus for the Community.

How to Enroll

Students who are new to Utica Community Schools should register at their junior high school as soon as possible upon becoming a district resident. To confirm the school your student will attend or to begin the enrollment process when school is not in session, call Pupil Services, 586.797.1120. Utica Community Schools will request official records from your student's previous school. Class scheduling will be simplified if you bring your student's most recent report card or unofficial transcript when you register

- To enroll your son or daughter, you must present:
- his/her certified birth certificate
- his/her immunization record
- parent/guardian photo ID
- accepted proof of residency: lease agreement, closing document or current tax bill

Immunization Requirements

At enrollment, the state law requires parents/guardians to provide detailed immunization records with the day, month and year their student was vaccinated against measles, mumps and rubella (MMR); diphtheria, pertussis and tetanus (DPT/Td); chicken pox (varicella); polio and hepatitis B.

Students who are not in compliance with the immunization law or who fail to file a waiver will be excluded from school. Waivers are available only through the Macomb County Health Department.

Call the Macomb County Health Department at 586.469.5372 for immunization information or 586.412.5945 for vision and hearing screening.

Media Release

Students are often interviewed by local news media reporting on the district's instructional programs. Utica Community Schools Board of Education policy governs media relations that affect students. News media representatives are required to report to the Office of School – Community Relations or the building principal for prior approval before interviewing students involved in instructional programs.

Parents are asked to complete a media release form giving Utica Community Schools and the news media permission to interview/photograph their student in connection with school activities. The signed form is kept in the school office and remains valid as long as a student is enrolled in the district. If at any time a parent chooses to exclude a student from participating in media interviews, the parent must notify the principal in writing.

Student Records

A cumulative student record is maintained by Utica Community Schools for the benefit of the student. This record reflects scholastic and physical growth of each student. Access to this record is restricted to parents/guardians, eligible students (18 years of age or older) and school officials with legitimate educational interests.

A school official is a person employed by the school as an administrator, supervisor, instructor or support staff member; a person serving on the Board of Education; a person or company with whom the school has contracted to perform a special task; or a person serving on an official committee or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Appointments to review records can be made through the building principal or counselor. Parents/guardians and eligible students shall have an opportunity for a hearing to challenge the contents of the records. Upon written request from parents for a hearing on the contents of their student's records, the principal will set a time and date convenient to both the parents and school.

Parents/guardians and eligible students shall have the right to file a complaint concerning alleged failure by the school district to comply with the Family Educational Rights and

Privacy Act (FERPA). Complaints may be sent to:

Family Policy Compliance Office,
U.S. Department of Education,
400 Maryland Avenue SW,
Washington, D.C. 20202-4605.

Emergency Information Card

Students are required to have an up-to-date emergency card on file. It should include parent/guardian work numbers and the student's pertinent medical information. In emergency situations, the parent/guardian or emergency contact listed is notified. Please immediately notify the school office if your student's emergency information changes during the school year.

If a student requires emergency medical treatment and the parent/guardian cannot be reached, the school will call 911 to transport the child to the hospital by ambulance. A staff member will ride with the student and remain at the hospital until the parent/guardian arrives.

Directory Information Disclosure

Utica Community schools may, upon request, release the following directory information: student's name, address, participation in school activities, dates of school attendance, honors and awards, weight and height of athletic team members, information generally found in yearbooks, and students' names, addresses and telephone numbers when requested by military recruiters, only.

Parent, or students who are 18 or older who do not wish this information made public, should notify the principal in writing by October 1st.

Students Who Move

Students who are moving are asked to check out through the counseling office. Any change of address or phone number should be given to the office as soon as possible.

Bad Weather Procedures/Emergency School Closings

In the event of severe inclement weather and/or loss of electrical power, heat or water; or other emergency, Utica Community Schools may:

- Close the school(s) for the entire day; or
- Open the school(s), but without bus transportation; or
- Delay bus transportation and start time(s); or

- Dismiss students early.

Parents will be notified of emergency school closings by an automated telephone calling and/or email system. Depending on conditions, the calls/emails may go out the night before or the early morning of a closing.

Emergency closings will also be broadcast on radio stations WJR-760 AM, WWJ-950 AM; on TV stations WJBK-2, WDIV-4 and WXYZ-7 and on the district's Web site www.uticak12.org and UCS-TV cable channels 15 and 22.

Absence Notification

Parents should call the school attendance line before 10:00 a.m. on the day a student is absent. The attendance line will record absence calls during non-school hours.

Excused Absences

Excused absences include illness, hospitalization, doctor-ordered bed rest, mandatory court appearance, death in the immediate family, medical or dental appointments, authorized religious holidays or other absences approved in advance. Make-up work is the student's responsibility. Students are generally given the same amount of time to make up the work as the amount of time they were absent.

Pre-excused Absences

Absences for family vacations or travel during scheduled school days are discouraged. However, should it be necessary for a student to be absent for a family vacation or travel, a pre-excused absence should be obtained by submitting a written request one week prior to the event. Arrangements should be made with the student's teachers in advance as to timelines for completing class work. Extending school holidays into lengthier vacations is strongly discouraged.

Homework requests may be made for an absence of three or more days in the case of both

excused and pre-excused absences. Homework requests require 24 hours to process.

Extended Absences

The parent/guardian of a student who will be absent from school for extended periods of time due to physical disabilities or illness should contact the school to make home study arrangements.

Early Dismissal

When it is necessary for a student to be dismissed early, the parent/guardian must contact

the office by note or phone call prior to the student being permitted to leave the building. Students may be released only to their parents/guardians, except in an emergency.

Illness Dismissal

Students who become ill at school should report to the office. If the parent/guardian cannot

be reached, the student will be made as comfortable as possible in the health room until an emergency card contact can be made. No medication, including over-the-counter medicine, will be given.

Tardiness

Tardiness is defined as not being in the assigned area at the ringing of the bell. Tardiness limits a student's learning time and is disruptive to others in the class. Excessive or chronic tardiness will result in parent notification, detention or other disciplinary action. Students who are late to school must pick up a tardy slip at the office to be admitted to class. Classroom tardiness will be handled by the individual teacher.

Excessive Absences

School administration will address excessive absences in the following manner:

- Student contact – parent/guardian contact
 - Conference with parent/guardian
 - Referral to the attendance officer
 - Skipping and Suspensions
1. Upon evidence that a student has skipped a class, the student will:
 - a. Not receive participation credit for that day.
 - b. Not be permitted to make up missed work.
 2. Upon evidence that a student has been suspended from a class, the student will:
 - a. Not receive participation credit for that day.
 - b. Be permitted to make up missed work.

- c. Be allowed to take the semester final exam for full credit

Dress and Grooming

Utica Community Schools takes pride in its students and encourages their development of good hygiene and grooming habits. Student dress and appearance that is neat and clean contributes to a positive school environment. Student appearance should not be disruptive to the educational process. Consider the following guidelines in selecting school clothing:

- Indecent, tattered or unsafe dress or footwear, or attire that calls undue attention to the
- wearer or has lettering or symbols that are disrespectful or derogatory is not allowed.
- Beach wear, low-cut tops, tank tops, sleeveless tops, muscle-shirts, see-through clothing,
- short skirts or shorts, tight clothing without proper coverage, pajamas and clothing exposing the shoulders or mid-section are not allowed.
- Knee length shorts and skirts are acceptable. Shoes must be worn.
- Outerwear – such as coats and hats – is not to be worn in school.
- Clothing that promotes illegal substances or drugs, illegal activities, violence, tobacco or alcohol is prohibited.
- Clothing or head coverings worn as group identifiers that promote a disruptive school climate are prohibited.
- Jewelry and accessories that may be deemed dangerous are prohibited.

In the Classroom

Students should arrive on time for class and be seated when the bell rings. Students are responsible for bringing materials needed for each class. During class, a student may leave the classroom only if issued a pass from the teacher. The bell is a signal to the teacher that the class period is over. Students will be dismissed by the teacher according to the established classroom rules and safety procedures.

School Supplies

Essential supplies necessary to meet course requirements will be furnished. Additional supplies may be available for purchase at some schools

Homework and Makeup Work

Homework is assigned in most junior high courses. Students are responsible for completing all assignments. When a student is absent, it is the student's responsibility to arrange for makeup work. Students are generally given the same amount of time to make up the work as the amount of time they were absent.

Lost and Found

Students should report lost items to the office. Any items found should be reported or brought to the office as soon as possible so that the owner can claim them. Items not claimed at the end of the year are usually discarded or given to a charity.

Tests and Exams

Students quickly discover testing is a fact of life, as they are tested regularly to determine their achievement progress. Common final exams are given at the end of each semester. Students also take state and national standardized tests to determine both their ability and learning progress during the junior high years.

Standardized Tests

The following standardized tests are administered:

- Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT):
- Eleventh graders are tested on reading, writing and language and math.
- Scores are also used for the National Merit Scholarship program.
- Preliminary SAT (PSAT 10): Tenth graders are tested on reading, writing and language and math.
- Preliminary SAT (PSAT 8/9): Ninth graders are tested on reading, writing and language and math.
- Michigan Merit Exam (MME): The State of Michigan suite of summative assessment, includes SAT, M-Step and WorkKeys assessments.

- Michigan Student Test of Educational Progress (M-Step): . Seventh graders will be assessed in English language arts and mathematics. Eighth graders will be assessed in science and social studies.
- Scholastic Aptitude Test (SAT): All eleventh graders take the SAT, which measures achievement in reading, writing and language and math. The assessment also includes an optional Essay. This test is required for all students anticipating acceptance into a 4-year college program directly out of high school.
- ACT WorkKeys: All eleventh graders take the ACT WorkKeys, which is a skills assessment that helps employers select, hire, train, develop, and retain a quality workforce. The assessment measures foundational and soft skills.
- MI-Access – An alternative assessment given to students with disabilities if stated on the student's Individuals Education Program (IEP). MI-Access measures reading, writing and mathematics skills.
- World Class Instructional Design and Assessment (WIDA) – All English Learners (EL) students are assessed in reading, writing, speaking and listening.
- Advanced Placement (AP) exams available to all students grades nine through twelve. Please see your counselor.

Personal Curriculum (High School)

The Michigan legislature provides an opportunity for students to slightly modify the state graduation requirements. This modification is called a Personal Curriculum or PC. A student and his/her parent or guardian can request a PC for one of four reasons:

1. Students who are interested in earning additional credits in math, science, English language arts or foreign languages.
2. Students who demonstrate a need to reduce the Algebra II requirement in the Michigan Merit Curriculum.
3. Students transferring from out-of-state or nonpublic schools after completing two years of high school.
4. Students with an Individualized Education Program (IEP).

While a PC can be requested at any time during a student's high school experience, with the exception of social studies and math, it should be used in limited circumstances after students have had the opportunity to succeed in the Michigan Merit Curriculum. Parent guides and request forms are available on the UCS Web site, www.uticak12.org, under the Academics/Secondary tab. Contact your school's counseling office for additional information.

Testing Out

Students wishing to waive a class must complete a Waiving a Course through Testing Out Authorization and Notification form, which can be obtained from the school.

Special Education

Each elementary, junior high or senior high school provides special education programs and services for students who qualify according to the Michigan Administrative Rules for Special Education. Additional services are available as needed through the Macomb Intermediate School District (MISD). The UCS Special Services department has special education teachers to provide specialized instruction, as well as speech and language therapists, social workers, psychologists, occupational therapists and physical therapists to provide support services according to each eligible student's individual needs.

An integral part of the Special Services Department is to provide evaluation services for all students suspected of having a disability. Child Find evaluation services are conducted by a team of educational specialists. If you have concerns about your child's educational development in school, please contact your building administrator for further information

Requirements for Graduation

Begin in the Ninth Grade

Students begin earning credits toward graduation in ninth grade. Every student is expected to successfully complete a full high school program every year, ninth through twelfth grade, regardless of credits earned, in order to meet minimum graduation requirements. In order to graduate, students must earn a total of 22 credits – 18 credits required by the State of Michigan that must include World Language Credit (beginning with the class of 2022, students may substitute one of those credits with a CTE

courses or Visual, Performing and Applied Arts), plus four additional elective credits. Graduation requirements are available on our website under the academics/secondary tab.

Dual Enrollment

A provision of the State School Aid Act directs school districts to enable students in grades 9 through 12 to participate in dual enrollment by assisting with their tuition and fees for courses they take at Michigan public or private colleges or universities while attending high school. Districts pay the lesser of either the tuition and fees charged or the student's state foundation allowance, adjusted to the portion of the school year he or she attends the post-secondary institution.

Students must meet specific grade-level proficiency testing and course selection criteria in order to participate, and are no longer eligible for dual enrollment once their high school graduation requirements have been met. Contact your counselor for further information. For further clarification of criteria and eligibility, contact your high school counselor and/or refer to Board Policy 6225 on the UCS website.

Acceptable Use of Technology

Utica Community Schools encourages and strongly promotes the use of technology in the educational community. To ensure students, staff and parents can take full advantage of the technologies available, all use of technology in the school district must have proper authorization and adhere to district policy. All use of technology must be in support of and consistent with the purposes and stated goals of the school district. Misuse of technology will result in disciplinary action, up to and including loss of computer privileges, suspension or expulsion.

Technology Guidelines:

- Students shall not use technology unless authorized by appropriate school personnel.
- Only software legally owned by the district and authorized by a UCS administrator may
- be put on district computers.
- Illegal/inappropriate activities of any kind are forbidden.

Keeping in Touch

Between School and Home

A strong partnership between school and home lays the foundation for your child's educational success. Many teachers keep in touch with notes and phone calls to parents.

Email correspondence between teacher and parent can also be arranged through a prior written arrangement with the teacher. Progress reports, homework logs, student agenda books, report cards and parent-teacher conferences provide detailed information on your student's progress.

Report Cards

Report cards are issued every ten weeks to provide parents and students with an understanding of the student's progress. Grades, citizenship marks and teachers' comments are included in the report. Citizenship marks are based on a student's classroom behavior, ranging from outstanding to unacceptable.

Progress Reports

Progress reports are issued at the end of the fifth week of each marking period for the purpose of notifying parents of their student's progress or when the student is in danger of failing.

A parent-teacher conference may be required.

Grading Scale

UCS junior high school teachers average a student's grades on tests, projects, homework and class participation to arrive at a letter grade. The percentage value given the four grading areas is determined by each individual teacher.

In cases of extended student absence, an incomplete grade may be given. A student has the same number of days as his or her excused absence in which to make up the work. An incomplete becomes a failure if the work is not made

up within the next marking period.

Although daily classroom grading systems may vary among teachers, at the 10-week and semester marking periods, percentage scale or letter grade systems will adhere to the district-wide grading scale:

- Districtwide Grading Scale (Required for quarterly and semester reported grades)
- PowerSchool Online Parent Portal/Unified Classroom

Parents/guardians of junior high students can view their son/daughter's progress online using the Parent Portal in PowerSchool, the UCS student information system for scheduling, attendance, grades, etc. Contact the school for directions on how to access your child's information.

Grade Changes

Grade means the grade given for a final examination or at the conclusion of a marking period or semester. The proponent of a grade change must submit a written request to the principal, setting forth the reasons for the grade change. This must occur within 30 days after the student received the grade.

If the teacher who gave the grade does not concur with the grade change proposed, the principal, after consulting with the teacher who gave the grade and the proponent of the grade change, may cause a review panel to convene to consider a grade change.

Parent-Teacher Conferences

Parents/legal guardians are invited to meet with teachers to discuss student progress during scheduled conference days in the fall and spring. At conference time, teachers will usually present information on a student's homework record, classroom activity and test results.

Parents/legal guardians are also encouraged to call a teacher at school or schedule a conference if special issues need to be discussed. Email correspondence between teacher and parent can also be arranged through a prior written arrangement with the teacher. School personnel are willing to work with parents to resolve any situation affecting a student's education.

Parental Involvement in Education

The involvement of parents and community members is an essential component to nurture students and ensure their success. Utica Community Schools will make every effort to invite and consider parent and community input to ensure the success of our students.

The Board welcomes and encourages the involvement of parents/guardians in the schools and is committed to a partnership to develop each student's intellectual capability and skills in a safe and positive environment.

Parents/guardians of enrolled students may, upon request, review curriculum, textbooks and other teaching materials. They may also visit a classroom to observe instructional activities of their student, if the student is enrolled and present. Instructional activities do not include testing. Contact your principal to make a request, schedule a visit and sign appropriate paperwork.

Protection of Pupil Rights

The Protection of Pupil Rights Amendment (PPRA) gives parents and students who are 18 or older or emancipated minors (eligible students) certain rights regarding Utica Community Schools conduct of surveys, collection and use of information for marketing purposes and conduct of certain physical exams. These include the right to:

- Consent to federally funded surveys concerning protected information.
- If the U.S. Department of Education funds a survey in whole or in part, a student's parents or an eligible student must consent in writing before the student may provide information relating to the following categories:
 - Political affiliations
 - Mental or psychological problems of the student or student's family
 - Sexual behavior or attitudes
 - Illegal, anti-social, self-incriminating or demeaning behavior

 - Activities involving collection, disclosure or use of personal information obtained from students for purposes of marketing or selling or otherwise distributing the information to others

- Any non-emergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent and scheduled by the school, and not necessary to protect the immediate health and safety of a student or of another student, except for hearing, vision, or scoliosis screenings, or any physical exam or screening permitted or required under state law.
- Inspect certain material - Parents and eligible students have the right to inspect the following, upon request, before Utica Community Schools administrators use them:

Student Services

Counseling

Each student is assigned a counselor to assist in course selection and program planning. Counselors are also available by appointment to discuss academic issues, personal concerns or career planning. It is important for students and their parents/guardians to become acquainted with the counselor so that all can work together for the student's benefit.

The counseling department also offers Career Cruising, an interactive online resource available to students, enabling them to survey their own career strengths and interests and gain information about career fields, post-secondary education and financial aid.

Situations needing immediate attention will be promptly

handled. Parents and teachers may request counseling services for a student. Counselors are available to meet with parents during the school day to discuss curriculum and individual student concerns.

Extracurricular Activities

Utica Community Schools encourages student participation in extracurricular activities as a beneficial part of the educational experience.

Students who are involved at school tend to do better academically and have better attendance and fewer discipline problems. Taking part in an interesting new – and perhaps challenging – activity can enhance a student's opportunities to learn self-discipline, build confidence and develop skills in handling all types of situations.

Assemblies and Events

School assemblies, pep assemblies and athletic events take place at all junior high schools, and students are welcome to attend. The observance of school rules, particularly the display of good sportsmanship and respect, is expected at all such events. Spectators must be orderly and courteous. They should use applause only to show respect for the people involved in the events.

Evening Programs

Normally, students should not attend after-school activities, such as concerts, plays or athletic events, unless they are accompanied by an adult or are participating in the program or event.

Note: Participation in extracurricular activities including those above requires a student to be in attendance at school for one-half of the school day on the day of the event.

School Dances

Dances are scheduled periodically during the school year. Each junior high dance lasts approximately two hours. Students may not arrive late or leave early. Dance attendance is a privilege which may be affected by citizenship grades. All school policies and conduct regulations are in effect during dances. Guests from other schools will not be admitted.

Lockers

Every student is issued a locker and combination at the beginning of the school year. All lockers assigned to

students are the property of the Utica Community Schools. At no time does the school relinquish its exclusive control of its lockers.

A student who uses a locker that is the property of Utica Community Schools is presumed to have no expectation of privacy in that locker or that locker's contents.

The school principal or his/her designee shall have custody of all the combinations to all lockers and/or locks.

Students are prohibited from placing locks on any locker without the advance approval of the school principal or his/her designee.

The school assigns lockers to its students for the students' convenience and temporary use.

Students are to use lockers exclusively to store school-related materials and authorized personal items such as outer garments, footwear, grooming aids or lunch.

Students shall not use lockers for any other purpose, unless specifically authorized by the school principal or his/her designee, in advance of the student's bringing the items to school.

Students are solely responsible for the contents of their locker and should not share their locker with other students, pre-set locker combinations or divulge locker combinations to other students, unless authorized by the school principal or his/her designee.

If the principal or his/her designee assigns more than one student to a locker, the locker or locker combination should not be shared with anyone other than the assigned locker partner.

Search of locker contents

Random searches of school lockers and their contents have a positive impact on deterring violations of school rules and regulations, ensure proper maintenance of school property and provide greater safety and security for students and personnel.

Accordingly, the Board of Education authorizes the school principal or his/her designee to search lockers and locker contents at any time, without notice and without parent or guardian consent.

The school principal or his/her designee shall not be obligated, but may request the assistance of a law

enforcement officer in conducting a locker search. Local law enforcement may also use the assistance of a canine unit. The school principal or his/her designee shall supervise the search. In the course of a locker search, the school principal or his/her designee shall respect the privacy rights of the pupil regarding any items discovered that are not illegal or against school policy and rules.

Seizure of Illegal Items

When conducting locker searches, the school principal or his/her designee may seize any illegal or unauthorized items, items in violation of Board of Education policy or rules, or any other items reasonably determined by the school principal or his/her designee to be a potential threat to the safety or security of others.

Such items include, but are not limited to, the following: tobacco products, vaping paraphernalia, drug paraphernalia, firearms, explosives, dangerous weapons, flammable material, illegal controlled substances or controlled substance look-alikes or other intoxicants, contraband, poisons and stolen property.

Law enforcement officials shall be notified upon seizure of dangerous items, or seizure of items that schools are required to report to law enforcement agencies under the Statewide School Safety Information Policy.

Any items seized by the school principal or his/her designee shall be removed from the locker

and held by school officials for evidence in disciplinary proceedings and/or turned over to law enforcement officials. The parent/guardian of a minor student, or a student eighteen (18) years of age or older, shall be notified by the school principal or his/her designee of items removed from the locker.

- Leave the table and floor clean for others to use.
- Do not take food from the cafeteria.
- Do not bring glass containers into the building.
- Cooperate with cafeteria staff and lunch room supervisors.

Note: All applicable rules for unacceptable school behavior listed elsewhere in this handbook are in effect in the cafeteria.

Allergies

We take food allergies and student safety very seriously.

If your student has any food allergies please have your physician fill out the MDE Dietary Needs Form and return it to the school office or food service office. We are happy to work with parents and students to help accommodate your needs. For questions about food allergies and menu selections please call our office at 586-797-1180.

Free and Reduced Price Meals

Families may be eligible for the federal free or reduced price meals program. For confidential and timely access to benefits, families may apply for the program online at www.lunchapp.com or a hard copy application is available by request in the school office, which may take about two weeks for processing. Students are responsible for all meal charges until their applications are approved. All meals consist of 5 components: grain, meat/meat alternate, fruit vegetable and milk. Students must take a minimum of 3 items, with 1 being at least ½ cup fruit or vegetable, for the meal to qualify under the free and reduced provision.

Meal Pre-Pay

Parents can utilize the cafeteria's automated pre-pay system. It enables parents to pre-pay an amount into an individual account for their child with cash, by check or online at www.sendmoneytoschool.com. (There is a service fee for online pre-pay.) The student then can deduct meal purchases from the account with a personal ID number. The system also allows parents to monitor account activity and all accounts are confidential. Students eligible for the free or reduced-price meal program can also access their account through the automated system.

Should a student's meal account reflect a zero or negative balance, the student can charge up to five meals to allow time for families to properly fund their student's meal account. Prompt repayment is expected. Students whose account remains negative will have restricted purchasing privileges and will be offered a regular, alternate meal. If a student has a zero or negative account balance, they will not be allowed to make any a la carte or beverage purchases. Please check the website for more details at www.uticak12.org/foodandnutrition.

Health and Safety

Medical Limitations

Students who have a permanent or temporary physical disability, allergy or illness should notify the school counseling department of the condition at the beginning of each school year. Teachers and staff will be notified as necessary.

Medication

Students should not take medication at school unless it is absolutely necessary. Parents/guardians must file an Authorization for Medication form with the school office in order for students to receive over-the-counter or prescription medication in school. The form can be obtained in the principal's office and must be signed by the parent/guardian and the child's doctor. All medicines must be in their original containers and will be kept in the office.

Vision Screening

The Macomb County Health Department will provide vision screening to students in seventh and ninth grade, and upon other referral.

Accidents

Any student injured during school hours or while participating in school-sponsored activities or athletics, must report the injury to an instructor and/or the office immediately. An accident report is filled out and parents are notified when necessary.

If the injury requires professional medical attention, the parent will be asked to pick up their child at school or at a medical facility. If a student must be transported by ambulance to a hospital, a school official will accompany him or her until a parent appears at the hospital.

The hospital must have prior parent/guardian approval before treating a minor.

Concussion Awareness

A concussion is a type of traumatic brain injury that changes the way the brain normally works. A concussion is caused by a fall, bump, blow, or jolt to the head or body that causes the head and brain to move quickly back and forth. A fact sheet about the symptoms and what to do

if a concussion is suspected appears on the district Web site www.uticak12.org under forms in the athletics tab. Contact your building principal if further information is needed.

Health Education Exclusion Disclosure

According to Public Act 226 of 1977, parents/legal guardians have the right to review materials to be used in courses in which reproductive health is taught. They have the right to excuse, without penalty, their son/daughter from participation in a class or course of instruction in reproductive health and Acquired Immunodeficiency Syndrome (AIDS). AIDS instruction is included in Health Education classes.

Advance Notification of Pesticide Application

Utica Community Schools provides advance notice to parents in the event that a pesticide is being applied for the purpose of preventing or managing weeds or common indoor or outdoor pests, such as ants. The notice will include the area being treated, date of application, purpose and contact information. The notice will be placed on the entrance of the school being treated and the front page of the building's website.

Parents can also contact their school at any time to review historical information regarding the school's pest management program and records. Parents also can request a first-class mailing for a three-day advance notification of applications by contacting their school principal.

Athletics

Athletics can play an important role in rounding out the junior high educational experience.

In addition to developing physical skills, athletic participation encourages goal setting, organizational and time management habits and sportsmanship.

In UCS, athletic participation is not a right, but a privilege. A student may be removed from athletics for failure to meet the standards and requirements of the team, school, district or the Michigan High School Athletic Association (MHSAA).

A student must pass a physical examination and present a record of it before trying out for a team. No tryouts will be permitted without proof of a current year physical exam.

Sending a Sick Child Home from School or if a Student has been Sick at Home

Student presents with the following or has had the following symptoms:

Fever >100.4

Cough, Shortness of Breath, Difficulty Breathing, Sore Throat, Congestion or Runny Nose

Chills, Muscle/Body Aches, Headache or Fatigue

Nausea/ Vomiting/ Diarrhea

New Loss of Taste or Smell

To Return to School:

1.) Student must remain out 10 days from first symptoms **AND** be at least 24 hours fever-free without the use of fever-reducing medications **AND** have improving symptoms

--OR--

2.) Provide a physician's letter and/or a negative result from a COVID-19 test (rapid test results cannot be accepted)

Most schools arrange economical physical examinations each spring and fall.

Ninth graders must pass at least 66 percent of full credit load (four classes) in order to participate in school sports. A student is not permitted to participate in any outside competition while representing a school in that sport.

If seventh or eighth grade sports are offered, a student must have passed at least 50 percent of the previous semester's classes and be passing at least 50 percent of his/her current classes in order to participate.

To practice or play in a game, a student must be in attendance for three school hours that day.

Ninth graders who play on a high school team will not be allowed to participate in practices until after 3:10 p.m. Students are dismissed early for transportation to away games, only. There is no early dismissal for home games.

A pay to participate fee is required for athletics. Contact the school's athletic director for specific information. Depending on the sport, additional costs may be incurred.

Board of Education policy states that students are forbidden to use any performance-enhancing substances including, but not limited to, those banned by 31.2.3 of the bylaws of the National Collegiate Athletic Association (NCAA) and those that may be listed by the Michigan Department of Community Health. Discipline for students who violate this policy could range from warnings, detentions and suspensions up to and including expulsion.

For more information, contact the school's athletic director.

Game day transportation: District transportation for athletes will only be provided to the event (with the exception of football, because of equipment). Parents/guardians will be responsible for their child's transportation home.

Athletic Eligibility

The following MHSAA eligibility rules apply to seventh and eighth grade students competing in athletic events. Ninth grade athletics are governed by Regulations I and II of the MHSAA Handbook.

1. Students must be enrolled in school by the fourth Friday after Labor Day/fourth Friday of February of the semester in which student is competing.
2. A seventh grade student competing in any interscholastic athletic contest must be under 14 years of age, except that a student whose 14th birthday occurs on or after September 1 of a current school year is eligible for the balance of that school year. An eighth grade student competing in any interscholastic athletic contest must be under 15 years of age, except that a student whose 15th birthday occurs on or after September 1 of a current school year is eligible for the balance of that school year. There is no limit to semesters of enrollment or seasons of competition for seventh and eighth graders.
3. A record of a current physical examination given on or after April 15 of the previous school year must be in the school files.
4. A student may not be a junior high or middle school graduate and must have earned credit in 50 percent of the previous semester's work. A student must be passing 50 percent of current work within seven days of a contest.
5. A student-athlete may not accept ANY award valued at more than \$25. A student may not accept money, gifts, loans, merchandise, membership, privileges, services or other valuable consideration for participation in any form of sports, athletics, games or interscholastic athletic contest officiating, except as allowed in the MHSAA Handbook Interpretations, listed within Regulation I, Section II.
6. A student may not compete in an outside event during the season in which that athlete competed for the school in the same sport. Three-on-three basketball tournaments are included in this regulation.
7. A student who has been enrolled in grades nine through twelve for more than eight semesters cannot compete. Semesters seven and eight must be consecutive. School enrollment through the fourth Friday of a semester is considered enrollment for the semester. Schools and coaches will provide additional eligibility requirements.
8. 10. Note: Ninth graders of a designated junior high/

middle school in a district with multiple junior and senior high schools may be counted for athletic purposes and therefore be eligible in the senior high school designated by residence.

Ninth graders not housed in their designated high school in UCS may participate in sports at their designated high school. Any ninth grade student who competes at the high school level in any sport is expected to participate at his/her feeder high school, not another high school out of his/her attendance area.

For a complete understanding of the MHSAA athletic handbook, please contact your school's athletic director.

Student Conduct

Well-behaved students help make school an effective place of learning. Students' safety and welfare depend on their compliance with the following guidelines, which apply while students are in school, on school property, going to or from school or at any school activity.

Students are expected to be courteous and show respect for ALL classmates and ALL adults. Student language and attitude must be respectful to all.

Students must identify themselves when asked by staff members. Students must address adults as Mr., Miss, Mrs. or other appropriate title. Students are also expected to carry out the requests of all staff members, including substitute teachers and other adults serving the building.

Disciplinary action may vary depending upon the situation. Consequences used at the secondary level to deal with rule infractions include, but are not limited to, detention, special work projects, suspension, expulsion or social probation.

If a law has been broken, local law enforcement will be contacted. Once law enforcement officers are involved, their actions may include physical restraint or arrest, if necessary.

Freedom of Expression

Students have the right to exercise freedom of speech. This includes the right to distribute or display written material, petitions, button, badges, signs or other insignia subject to reasonable times, places and manner.

Exceptions include information that is:

- Obscene to minors;
- Libelous;
- Pervasively indecent or vulgar (for secondary schools); or contains any indecent or vulgar language (for elementary schools);

- Presents a clear and present likelihood that either because of its content or the manner of distribution or display, it will cause a material and substantial disruption of school or school activities, a violation of school regulations, or the commission of an unlawful act.
- Distribution and/or display of material in any of the above categories is prohibited on school premises at any time or at any school-related or school-sponsored event whether on or off campus.
- Any student wishing to distribute or display non-school sponsored material must first submit for approval a copy of the material to the building principal at least twenty-four (24) hours in advance of the desired distribution/display time, together with the following information:
 - Name and contact information of student or organization
 - Date(s) and time(s) of day of intended display or distribution
 - Location where material will be displayed and/or distributed
 - Grade(s) of students to whom the display and/or distribution is intended.

- Student publications are also sponsored to provide students the opportunity to learn—under adult direction and supervision – the rights and responsibilities of the press in a free society.
- Publications and related advertising will be prohibited which: are grossly prejudicial to an ethnic, religious, racial, or other delineated group;
- libel any specific person or persons;
- seek to establish the supremacy of a particular religious denomination, sect, or point of view over any other religious denomination, sect, or point of view;

- promote, favor, or oppose any candidate for election to the Board or the adoption of any bond issue, proposal, or question submitted at any election.

Non-compliance with the above guidelines will be halted and action will be taken in accordance with discipline procedures.

Non-compliance with the above guidelines will be halted and disciplinary action will be taken in accordance with procedures established in this handbook. For more information, please see policy 6100.

Bus Transportation

UCS uses Michigan State Board of Education guidelines to determine student eligibility for bus transportation, based on the distance from home to school. Your school office will know if your neighborhood or street is on a district busing route. Routes may be altered during the school year to accommodate enrollment changes. Secondary pupils may be required to walk up to one mile to a designated bus stop.

Bus transportation is a privilege. Students may be denied this privilege for misconduct on a bus or at a bus stop. Student conduct on the bus should be an extension of good classroom behavior. All school rules and regulations apply. Expectations for students on the bus and at the bus stop include, but are not limited to, the following:

- Students are expected to use their assigned bus stops, arrive ten minutes before the bus is scheduled to arrive, wait in an orderly manner and be alert to traffic when leaving the bus.
- Students are to be courteous and respectful, keep their bodies within the confines of their bus seats, remain seated while the bus is moving, keep aisles clear, and hold all possessions in their laps. Nothing is to be thrown on the bus or from the bus windows. No eating or drinking is allowed on the bus.
- Students must obey the bus driver, who is in full charge of the bus and students.
- Seating is reserved for assigned riders. Drivers or administration have the authority to assign seats. There is no preferential seating.
- Only students eligible for transportation may ride home with another student. The students must have a permission note from both sets of parents and signed by the principal.
- Use of electronic communication devices (cell phones, cameras and pagers) is not permitted.

Call the UCS Transportation Department at 586.797.7100 with busing questions.

Hallway Regulations

Students are expected to conduct themselves in an orderly and courteous manner in the hallways. Students who are in the hallways during class time must have teacher passes or their student agendas.

Electronic Communications Devices

The personal use of cell phones or other electronic communications devices (ECD) by students is prohibited at any time while in school or in a district vehicle. Students may carry ECDs during the school day, but they cannot be displayed or used without permission from a teacher or administrator for educational purposes. Personal use of the device shall be limited to the time before and after the school day and only when students are outside the building. ECDs shall not be used during instructional time, lunch, passing time between classes or on any school bus without permission of a school official.

The use of an ECD's picture-taking or internet connection capability is not permitted without permission of a teacher or administrator. Utica Community Schools will not be responsible for the theft, loss or damage of any ECD. Appropriate disciplinary action will be taken against students who violate the policy regulating ECDs.

Safety and Security

UCS has comprehensive safety and security plans in place for the well-being of students. These plans include teaching and practicing with students the appropriate steps to take should emergency situations occur. Each school holds fire, take-cover, security and bus evacuation drills during the school year.

Visitors

Utica Community Schools maintains a safe and secure environment. All doors to all UCS school buildings are locked. Designated entrances are monitored by cameras. All visitors, including parents, must identify themselves before being buzzed into the building and proceeding to the office to sign in and be issued a visitor's badge.

Visitors who have legitimate business at the school are always welcome. All visitors are subject to Board of Education policies and must leave promptly when their

business is completed.

Weapons on School Property, in School Settings, in School Vehicles or at School-Sponsored Events

UCS prohibits any person from possessing, storing, making or using a weapon in any setting that is under the control and supervision of the UCS including, but not limited to, property leased, owned, or contracted for by UCS, a school-sponsored event, or in a UCS-owned vehicle.

For purposes of this policy, the term "weapon" means any object which, in the manner in which it is used, is intended to be used, or is represented, is capable of inflicting serious bodily harm or property damage, as well as endangering the health and safety of persons. Weapons include, but are not limited to, firearms, guns of any type, including spring, air and gas-powered guns (whether loaded or unloaded) that will expel a BB, pellet, or paint balls, knives, razors, clubs, electric weapons, metallic knuckles, martial arts weapons, ammunition, and explosives or any other weapon described in 18 U.S.C. § 921.

This prohibition applies regardless of whether the person is otherwise authorized by law to possess the weapon in non-school settings, including if the person holds a concealed weapons permit.

The following are exceptions to this policy.

- weapons under the control of law enforcement personnel;
- items approved by a principal as part of a class or individual project or presentation under adult supervision, if used for the purpose of and in the manner approved (working firearms and ammunition shall never be approved);
- theatrical props used in appropriate settings;
- starter pistols used in appropriate sporting events;
- instruments or equipment as required by District operations, including school or District security.

Persons who knowingly violate this policy may be referred to law enforcement. Additional information is contained in Policy 6120 and can be found on the UCS website.

Citizenship

Good citizenship is essential to the educational process. Citizenship marks may determine attendance and participation at assemblies, dances, club meetings, athletic events and other activities. Students who receive poor citizenship marks may be excluded from special school events.

Discipline

A student's right to a public education carries with it a responsibility to know and observe school rules. These rules help minimize distractions which disrupt learning and help to maintain a safe educational environment. District policies and, in some instances, state law, establish behavioral expectations and outline consequences of behavioral infractions. While all students have rights and privileges, all are expected to act in a reasonable manner at all times, going to and from school and during all on-site and off-site school activities.

The district intends to keep its schools safe for students and staff. Students are reminded that it is their responsibility to report to a responsible adult any incident that they feel could be dangerous or threatening to themselves or others.

In accordance with district policies and state and federal laws governing schools, school administrators and staff in Utica Community Schools, when considering student discipline, will first consider restorative practices to remediate such offenses such as interpersonal conflicts, bullying, verbal and physical conflicts, theft, damage to property, class disruption, and harassment and cyberbullying. Unless otherwise provided under the Revised School Code or the Policies where required to do so, restorative practices will be considered in addition to suspension or expulsion. Restorative practices are practices that emphasize repairing the harm to the victim and the school community caused by the student's misconduct.

Students who are eligible for special education and related services under the Individuals with Disabilities Education Act ("IDEA") or under Section 504 of the Rehabilitation Act of 1973 shall have the District's discipline policies applied in a manner consistent with their rights under federal and state law.

Due Process

The constitutional rights of individuals assure the protection of due process of law. Therefore, constitutionally and legally sound procedures have been adopted by the Board of Education.

Based on state and federal laws governing education, building principals in Utica Community Schools are delegated the authority to temporarily separate or suspend a student from school.

In such actions, the following procedures shall be followed:

1. A student shall be fully informed of the charges brought against him/her including the rationale for the action and the conditions of time and termination. A student shall be also given the opportunity to discuss the events which occasioned the suspension/expulsion.
2. Parents or guardians shall be notified, as soon as possible by telephone or personal contact, if the student is to be suspended from school. If the student is to be suspended from school for more than five (5) school days, the parents or guardians shall be notified of their right to appeal to the superintendent. Written notification of such contact shall be made in the student's discipline file.
3. Verbal notification shall be followed by written communication to the parents/guardians.
4. A copy of the letter shall be placed in the student's discipline file.

Appeal procedures available to parents or guardians include:

1. As a first step, parents may request a conference with the principal within the period of suspension. The principal shall affirm, modify or reverse disciplinary action within two school days of the conference date.
2. Within five (5) school days of the principal's decision and for suspensions for more than five (5) school days or a recommendation for expulsion, the parent(s) or guardian(s) may appeal such a decision to the Superintendent of Schools or a designee.

-
3. The Superintendent shall affirm, modify or reverse the decision of the principal within three school days from hearing the appeal. The Superintendent's decision is final.
 4. A recommendation for permanent expulsion by the superintendent may be appealed to the Board of Education.

Disciplinary action may vary depending upon the issues. The discipline procedures used to deal with rule infractions include detention, suspension and expulsion. Michigan law requires that, with certain exceptions, there is a rebuttable presumption that suspension or expulsion is not justified and requires schools to consider other factors and options before suspending or expelling a student. The Utica Community Schools will apply its discipline policies and procedures consistent with the requirements of Michigan law.

The Board of Education prohibits corporal punishment as an acceptable method of disciplining students. A school employee, volunteer or contractor may use reasonable physical force upon a pupil as necessary to maintain order and control in a school or school-related setting for the purpose of providing an environment conducive to safety and learning.

Unacceptable Behaviors

Behaviors which are distracting or disruptive to the learning environment, or cause property or physical damage, may lead to disciplinary action. Such behaviors include, but are not limited to the following:

1. Students must not damage books, supplies and furniture supplied by the school; litter or mark on furniture, walls, lockers, texts, etc.; or tamper with fire alarms and extinguishers. Students will be assessed repair and replacement costs of damaged or lost textbooks. A student who damages or destroys school property will be expected to pay for it. Other disciplinary action may be taken to ensure school facilities are appropriately maintained.
2. Per state law, smoking or the possession of tobacco in any form is forbidden to all students. This rule is in effect at school related activities, on school property and on school buses 24 hours a day, seven days a week. Additionally, adults are not permitted to use tobacco products at any time in any buildings owned or operated by Utica Community Schools.
3. Possession or use of electronic cigarettes, vaping paraphernalia, hookah pens or other similar devices.
4. Gambling, participating in games of chance or skill for money or profit and extortion are illegal and prohibited.
5. Name calling, intimidation, bullying, profanity, vulgarity, "hate" speech, use of abrasive or derogatory comments or gestures or threatening to do harm to staff or other students.
6. Planning to fight, harassment, threatening of other students or fighting (which may include pushing, punching, wrestling or physical assaults) or otherwise assaulting another student or employee is prohibited.
7. Physical contact and displays of public affection, such as hugging, hand-holding, kissing, etc., are prohibited.
8. Student behavior should not offend or endanger others. Students should not run in the halls, throw objects, make bomb threats or trigger false fire alarms. Possession or the use of matches, lighters, fire crackers, fireworks, stink or smoke bombs, knives, metal finger armor, explosives or weapons is forbidden. Students also may not possess paintball guns, squirt guns, pea shooters, electric shock devices or other disruptive or harmful objects.
9. Intoxicants, narcotics, depressants, stimulants, look-alike drugs or illegal substances are not allowed on school property. Any infraction will result in referral to parents and police.
10. Students are not permitted to operate or park motor vehicles, including motorcycles and mopeds, on school property.
11. Students are not permitted to possess or use skateboards, roller blades, radios, cameras, laser pens, hand-held electronic games, MP3 players, iPods, tape recorders/players, video recorders/players, CD players or similar items or devices at school without administrative permission. These items will be confiscated and must be picked up by parents. If valuable items must be brought to school, they are to be checked in at the office. Utica Community Schools

will not be responsible for theft, loss or damage to any valuables brought to school.

12. Pornographic and other inappropriate materials are prohibited.
13. Students may not sell or buy any item from another student in school, except as authorized by the principal or for sale by the student store.
14. Eating food outside the cafeteria is forbidden. Glass containers are not permitted.
15. Theft, forgery, cheating and all forms of plagiarism are prohibited.
16. Unauthorized use of telephones is prohibited.
17. Students may not be in unauthorized areas.
18. Any use of electronic communications devices is prohibited without permission of an administrator – this includes use of cell phones, text messaging, recording devices, and camera usage.

Disciplinary Action

Disciplinary action may vary depending upon the situation. The first step in the disciplinary process is for the appropriate staff member to discuss the problem with the student. Parents are also informed of the problem.

- Detention - A teacher or the principal has the right to assign a student to before or after school detention for disciplinary reasons or academic makeup work. A day's notice is given in all cases of detention and a student may be detained for a reasonable amount of time. It is the parent/guardian's responsibility to arrange transportation for the student when detention is assigned.
- Special Work Projects - Special work projects may be assigned for improper conduct, as determined by the teacher or administrator. Such projects are intended to reinforce the importance of proper behavior.
- Suspension - School suspensions will be administered by the principal or his/her designee. Suspensions may vary from one to ten days depending on the severity or frequency of the violation. When a suspension is necessary, parents or guardians shall be notified if the student is released from school before the end of the school day. Suspended students

are not allowed on school district property or admitted to any school function during the course of the suspension. Suspended students will be permitted to make up missed work following the guidelines listed previously in the handbook.

Principal Suspension:

A suspension is defined as an exclusion of a student from school and school district activities for disciplinary reasons by a principal for a period of ten school days or less. Such a suspension may be made pending an investigation of a student's conduct and recommendation of other disciplinary penalties. If a principal believes a suspension beyond ten school days is appropriate for the offense, the principal may make that recommendation in writing to the Superintendent who may exercise his/her discretion to grant or deny the principal's recommendation.

Superintendent Suspension :

A suspension can also be defined as an exclusion from school by the Superintendent for disciplinary reasons for a period of up to 180 school days.

Michigan Revised School Code Suspension. A suspension under Section 1310d of the Revised School Code means to exclude a pupil from school for disciplinary reasons for a period of fewer than 60 days. This definition applies to offenses under Sections 1310 (grade 6 or above physical assault against a pupil); 1311(1) (gross misdemeanor or persistent disobedience); 1311(2)(possession of dangerous weapons, arson and criminal sexual conduct); or 1311a (grade 6 or above physical assault against an employee, volunteer, or contractor; verbal assault, or bomb threat) of the Revised School Code.

Social Probation

When antisocial behavior warrants, a student may be sent home on social probation.

This decision is made by the principal or designee, in line with these guidelines:

1. A student will be excluded from attending school and school functions from one to ten days.
2. Every attempt will be made to notify parents before the student is released from school.
3. Assignments will be collected by office staff for the

parent to pick up. Full credit will be granted for work completed.

4. A conference may be held with a parent and the student prior to or upon completion of probation.

Superintendent Expulsion:

A Superintendent expulsion is an expulsion from school by the Superintendent for disciplinary reasons for a period up to 180 school days. The student is excluded from all school district activities. The decision of the Superintendent is final. There is no further appeal. The conditions for returning to school are outlined in the Superintendent's decision regarding expulsion. Unless restricted by law, the Superintendent can place any conditions deemed in the best interests of the school and/or school district.

Board of Education Expulsion

A Board of Education expulsion is defined as a permanent expulsion. The student is excluded from all school district activities. The decision of the Board is final and there is no further appeal. A student who is permanently expelled has the opportunity to apply for reinstatement at designated times depending on grade level and offense.

Michigan Revised School Code Expulsion:

An expulsion under Section 1310d of the Revised School Code means to exclude a pupil from school for disciplinary reasons for a period of 60 or more school days. This definition applies to offenses under Sections 1310 (grade 6 or above physical assault against a pupil); 1311(1) (gross misdemeanor or persistent disobedience); 1311(2) (possession of dangerous weapons, arson and criminal sexual conduct); or 1311a (grade 6 or above physical assault against an employee, volunteer, or contractor; verbal assault, or bomb threat) of the Revised School Code.

Transfer of Disciplinary Records

Michigan law requires school districts to record in the student's permanent record (CA60) permanent expulsions for violations of Michigan statutes prohibiting possession of a dangerous weapon, arson or criminal sexual conduct (380.1311(3); UCS Policy 5105). The same is required for students permanently expelled for physical assault against an adult or verbal assault or bomb threat (MCL 380.1311a(3); UCS Policies 5100 and 5105). Discipline recorded in the CA60 will be transferred to any private

or public school to which a student is transferring and in which he/she is enrolling. Other suspensions and expulsions are recorded in the student disciplinary record and are available to the next school if a student transfers/moves.

Hazing

The Board of Education has approved policies prohibiting hazing by both students and employees of the Utica Community Schools.

Hazing is inherently hazardous and may place its victims at risk of physical or emotional harm. Consequently, hazing is absolutely prohibited.

As defined, hazing is any action or the coercion of another – including the victim – to perform any act that endangers the physical safety of a student or employee, produces mental or physical discomfort, causes embarrassment or ridicule or degrades the student or employee, regardless of that person's willingness to take part.

Appropriate disciplinary action will be taken against anyone who participates in hazing.

Bullying and Cyberbullying

In order to maintain a positive school atmosphere that fosters learning, promotes a safe school environment and develops the self-worth and dignity of its students, Utica Community Schools will not permit bullying behavior. Bullying in all of its forms and practices is absolutely prohibited, without regard to its subject matter.

Appropriate disciplinary action will be taken against students who participate in bullying.

Bullying shall be defined as any written, verbal, or physical act, or any electronic communication, that is intended or that a reasonable person would know is likely to harm one (1) or more pupils either directly or indirectly by doing any of the following:

1. Substantially interfering with educational opportunities, benefits, or programs of one or more pupils.
2. Adversely affecting the ability of a pupil to participate in or benefit from the school districts or public school's educational programs or activities by placing the pupil in reasonable fear of physical harm or by causing substantial emotional distress.

3. Having an actual and substantial detrimental effect on a pupil's physical or mental health.
4. Causing substantial disruption in, or substantial interference with, the orderly operation of the school.

Bullying often occurs when a student is exposed, repeatedly and over time, to negative actions on the part of one or more students.

Additional information is contained in Policy 5145 Anti-Bullying and can be found on the UCS website.

Substance Abuse

Being under the influence, use or possession of alcohol, illicit drugs, controlled substances, drug paraphernalia, vaping paraphernalia, hookah pens and similar devices, or a substance which is represented as a drug or look-alike drug, on school property by students is prohibited.

The prohibition of these substances and/or items includes during extracurricular or school-related activities that take place both at or away from school. Students who violate this policy will receive the following consequences:

1. First violation: 5 to 10-day suspension. The building administrator may reduce the suspension if the student seeks help through the school's substance abuse program or through an approved outside agency and follows their recommendations satisfactorily. Failure to complete the recommended program will result in the remainder of the suspension being imposed. A parent conference is required for re-admittance to school.
2. Second violation: 10-day suspension (no reduction). A parent conference is required for re-admittance to school.
3. Third violation: Immediate suspension pending further disposition. A recommendation for expulsion may be initiated through the Superintendent of Schools.

Note: Any student involved with the sale or distribution of illicit drugs, controlled substances, look-alike drugs and/or alcohol, or possession of amounts that would reasonably indicate sales, may be automatically disciplined at the third violation level. In all cases, local police may be involved.

Student Smoking and Use of Tobacco

District administrators are encouraged to notify the police when a student's violation of this policy may be a criminal offense.

Student Gangs

Gangs and gang-related activities are prohibited on, and to and from, any premises owned or

used by the district and at any district-related function. Gangs and gang-related activities are

also prohibited to the extent they are related to or interfere, or threaten to interfere, with

school or other district-related functions, even when they occur off school premises (for example, on the internet).

The term gang, as used in this policy, means a group of two or more persons whose purposes or activities include the commission of an illegal act(s) or a violation(s) of district policy, procedures or rules; or, the defense of its members against another gang or group of persons. District students are prohibited from engaging in gang or gang-related activities, which include:

- Dressing or grooming in a manner which, in the reasonable judgment of a district administrator, teacher or student, communicates membership in or affiliation with a gang;

Sexual Harassment Policy and Procedure

- Sexual harassment of students by other students or by employees of the Utica Community School District is unlawful under both Michigan and federal law, and is contrary to the Board of Education's commitment to provide a stable learning environment.
- It is the Board's policy that all contact between students, teachers and other adult employees and others in the District be in keeping with respect for the individual student and be of a nature which does not make the student feel uncomfortable. Sexual harassment includes, but is not limited to, the following:
 - Unwelcome sexual advances.
 - Subtle or overt pressure for sexual activity.
 - Engaging in improper physical contact, such as patting or pinching, etc.
 - Making improper sexual comments, including sex-oriented kidding; creating an intimidating, hostile or offensive educational learning environment.
 - The threat or suggestion that a student's education and/or advancement depends upon whether or not the student submits to sexual demands or tolerates such improper behavior.

Reporting Concerns

Students who have concerns about any conduct or physical contact by a person employed by the District, by any fellow students or by any person, should immediately report this concern to the building principal, to a counselor or to the Superintendent of Schools.

Students should also discuss their concerns with parents or guardians. Students are encouraged to report any conduct that makes them feel uncomfortable, is bothersome or is contrary to a stable learning environment.

Any person who receives a complaint of conduct perceived to be sexual harassment should immediately report the concern to the building principal, Executive Administrator of Schools or the Superintendent's designee.

Weapons, Criminal Sexual Conduct, Arson and Physical Assault of an Employee

Students in possession of a dangerous weapon in a weapon free zone, or who commit arson or criminal sexual conduct* or, if in the sixth grade or above, commit a physical assault against a school district employee, volunteer or contractor, on district grounds, in district buildings or at district or school sponsored events, shall be permanently expelled from school and referred to the local police agency and the appropriate county department of social services or community mental health agency. The parent or legal guardian and student shall also be notified of the referral.

The following behaviors, as defined under state law, are subject to permanent expulsion from all public schools in the State of Michigan:

1. Possession of a dangerous weapon**;
2. Arson;
3. Criminal Sexual Conduct;
4. Physical Assault at school by a student grade 6 or above against an employee, volunteer or contractor of the school

**Michigan law requires the permanent expulsion of a student for possession of a dangerous weapon at school unless there is clear and convincing evidence of one of the following:

1. The student did not possess the object for use as a weapon or for delivery to another person for use as a weapon.
2. The student did not knowingly possess the weapon.
3. The student did not know or have reason to know that the object constituted a dangerous weapon.
4. The student possessed the weapon at the suggestion, request or direction, or with the express permission of

the school or police.

There is a rebuttable presumption that permanent expulsion is not justified for possession of a dangerous weapon other than possession of a firearm (as defined by 18 USC §921) in weapon free school zone if both of the following are met:

1. The district determines in writing that at least 1 of the factors listed above has been established in a clear and convincing manner; and
2. The student has no history of suspension or expulsion.
3. Students permanently expelled as is permissible under Board Policy and Michigan law, shall be referred to the local police agency and the appropriate county department of social services or community mental health agency. The parent or legal guardian and student shall also be notified of the referral.

Additional information is contained in Policies 5100 and 5105 and can be found on the UCS website.

*Students should be aware that in Michigan, depending on the circumstances, it may be criminal sexual conduct to have consensual sex with anyone under the age of 16.
